Assessment Requirements for AMPPKG202 Assemble and prepare cartons

Modification History

Release	Comments
1	This unit of competency was first released in AMP Australian Meat Processing Training Package Release 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

The assessor must observe the individual assembling a minimum of 10 cartons and insert liners where required, following workplace requirements.

There must also be evidence that the individual has completed two shifts on the job, fulfilling workplace requirements (these shifts may include normal rotations into and out of the relevant work task).

Mandatory workplace requirements

All performance evidence specified above must be demonstrated in a meat processing premises.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace requirements for assembling and preparing cartons
- range and uses of packaging for a limited range of products at worksite
- packing requirements for different customers or importing countries
- the consumables required and the levels to which they need be maintained
- importance of maintaining the integrity of packaging
- relevant workplace health and safety requirements for assembling and preparing cartons
- safe manual handling techniques
- safe usage of any mechanical aids
- typical hazards encountered when assembling cartons, and how the associated risks are controlled.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a meat processing premises, at workplace production speed
- resources, equipment and materials:
 - personal protective equipment
 - cartons for assembling
 - packaging consumables
- specifications:
 - task-related documents
- personnel:
 - access to workplace supervisor or mentor.

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.

Mandatory workplace requirements

Mandatory workplace requirements are shown in *italic* text. Refer to the Companion Volume Implementation Guide for further information.
