Release 1	This version released with ACM Animal Care and Management Training Package Version 5.0.

Qualification Description

This qualification describes the skills and knowledge required for equine hoof care practitioners. It covers general hoof care, hoof trimming, barefoot care and other services to improve and maintain hoof health.

Individuals in these roles work in a variety of equine workplaces. They use discretion and judgment to provide hoof care services, solve routine and non routine hoof care problems, and provide advice to clients and owners.

To achieve this qualification, the individual must have completed at least 120 hours of work placement as detailed in the Assessment Requirements of *ACMFAR405 Coordinate day-to-day equine service operations*.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 17 units of competency:
 - 11 core units plus
 - 6 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- at least 4 from Group A electives listed below
- up to 2 from Group A or B electives listed below, or any currently endorsed Training Package or accredited course
- electives from Group B can only be selected where required as a prerequisite.

A maximum of 2 of the 6 elective units may be selected coded with an AQF indicator above level 3 or reflect outcomes above AQF level 3.
