Assessment Requirements for ACMCAN302 Prepare and present information to the public

Release: 1

Assessment Requirements for ACMCAN302 Prepare and present information to the public

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit. There must be evidence that the individual has prepared and presented information to the public on two different occasions that included having:

- planned presentations on two different topics
- used a range of equipment and materials within the presentations, including interpretive learning activities on at least one occasion
- interacted with captive animals safely during the presentation
- encouraged participation and feedback from the audience
- assisted in the preparation of at least one media presentation.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- basic instructional design principles
- methods and principles for making presentations to different age groups
- interview techniques and media presentation principles
- features of presentation equipment
- organisation's education policy
- captive animal facility's policies and procedures, including WHS, animal welfare and emergency procedures
- relevant WHS and animal welfare legislative requirements and codes of practice
- interpretive theory
- public speaking techniques
- safe animal handling techniques and procedures
- conservation programs
- family learning programs
- outreach programs

- preschool and community programs
- interactive programs
- safe work practices
- subject matter for the presentation.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical environment:
 - a workplace or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - equipment and resources used for preparing and delivering presentations
 - personal protective equipment suitable for handling and working with captive animals
 - real captive animals for use in presentations
 - emergency procedures
- specifications:
 - access to organisational policies and procedures, including emergency procedures
 - current WHS legislation and regulations and relevant state/territory animal welfare regulations
- relationships (internal and/or external):
 - an audience for presentation purposes.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
