Assessment Requirements for ACMGAS202 Participate in workplace communications

Release: 1

Assessment Requirements for ACMGAS202 Participate in workplace communications

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has participated in workplace communications on two separate occasions, including:

- followed routine instructions
- participated appropriately in a workplace meeting or discussion
- accurately completed a workplace document
- accurately completed routine workplace calculations
- obtained and provided information in response to a specific request.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- modes of communication appropriate in animal care workplaces
- effective communication skills across a range of modes
- effective communication principles for use in teams
- communication procedures and systems, and technology relevant to the organisation and own work responsibilities.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - an environment that accurately reflects a real workplace setting
- resources, equipment and materials:
 - equipment and resources appropriate to work undertaken in an animal care environment

- specifications:
 - access to organisational policies and procedures
- relationships (internal and/or external):
 - interactions with team members.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
