Assessment Requirements for ACMHBR309 Follow stud operational procedures

Release: 1

Assessment Requirements for ACMHBR309 Follow stud operational procedures

Modification History

Release	Comments
Release 1	This version released with ACM Animal Care and Management Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency in this unit must satisfy all of the elements and performance criteria of this unit.

There must be evidence that the individual has followed stud operational procedures for the sale or exhibition of at least three horses, including:

- organising the nomination of horses for sale and exhibition
- gathering information, records and registrations for others, including breed societies and stud book keepers
- completing forms and records related to:
 - sales and exhibitions
 - breeding records
- entering financial information and data into workplace systems
- maintaining accurate financial and business management records.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- nature of stud business in which the individual works
- processes and protocols of the stud business in which the individual works
- requirements and procedures laid down by the relevant breed societies or the keeper of the relevant stud book
- legislative requirements and workplace procedures and instructions relevant to role for:
 - animal health and welfare
 - workplace health and safety.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - a workplace or an environment that accurately represents workplace conditions
- specifications:
 - stud or organisational records for selected horses
 - application or entry forms for exhibitions or sales
 - financial and other workplace records.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
