ACM30110 Certificate III in Animal Studies

Revision Number: 2

ACM30110 Certificate III in Animal Studies

Modification History

Updated imported Units: HLTFA301B replaced with HLTFA301C

Description

This qualification is a general industry qualification for persons operating at an assistant level and undertaking animal care functions in an animal care workplace. It is highly recommended that whilst undertaking this qualification, the learner should have access to a companion animal workplace through either paid employment or substantial periods of work placement or work experience blocks.

Job Roles

Job role titles covered by this qualification may include:

- Animal care receptionist and support officer
- Animal control and regulation assistant
- Animal health officer on indigenous communities
- Animal shelter assistant
- Assistant animal welfare officer.

Pathways Information

Pathways into the qualification

Pathways for candidates considering this qualification include:

- direct entry
- after achieving ACM20110 Certificate II in Animal Studies
- vocational training and/or work experience across a range of work settings.

This qualification is suited to Australian Apprenticeship pathways.

Pathways from the qualification

After achieving this qualification, candidates may undertake specific industry stream qualifications at Certificate IV or Diploma level that define higher-level job functions.

Licensing/Regulatory Information

There is no direct link between this qualification and licensing, legislative and/or regulatory requirements. However, an individual unit of competency may specify relevant licensing, legislative and/or regulatory requirements.

Entry Requirements

Not applicable.
