Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 10.0.

Qualification Description

This qualification describes the skills and knowledge for supervisory/managerial job roles in the nursery industry including integrated pest manager, production nursery irrigation manager, dispatch manager, head grower, sales manager, site manager, quality assurance manager, retail nursery stock supervisor, sales manager, green life buyer, nursery manager and merchandiser.

Individuals with this qualification perform tasks involving technical skills, problem solving and supervisory skills to operate, monitor and improve performance of nursery systems and may supervise nursery staff.

Work must comply with work health and safety and environmental regulations and legislation that apply to the workplace.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

To commence this qualification, individuals must demonstrate they have skills and knowledge in the application of:

- cultivating, growing and harvesting/production skills for a variety of plant types, including pest and disease control
- technology and equipment that apply in a production nursery or retail nursery workplace
- health and safety, pest management and biosecurity processes and regulations that apply in a production nursery or retail nursery workplace

The skills and knowledge may have been acquired through completion of a Certificate III or higher qualification relating to nursery or horticulture, or industry experience.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 14 units of competency:
 - 4 core units plus

- 10 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

For the award of the *Certificate IV in Nursery Operations* choose:

- at least 7 units from groups A, B or C
- up to 3 units from the remaining units listed in groups A, B or C or any currently endorsed Training Package or accredited course.

For the award of the *Certificate IV in Nursery Operations (Nursery Production)* choose:

- at least 4 units from group A
- up to 3 units from the remaining units listed in groups A, B or C
- up to 3 units from the remaining units listed in groups A, B or C, or any currently endorsed Training Package or accredited course packaged at Certificate IV or Diploma.

For the award of the *Certificate IV in Nursery Operations (Retail Nursery)* choose:

- at least 4 units from group B
- up to 3 units from the remaining units listed in groups A, B or C
- up to 3 units from the remaining units listed in groups A, B or C, or any currently endorsed Training Package or accredited course packaged at Certificate IV or Diploma.

Where two specialisations are completed, award of the qualification would read (for example), *Certificate IV in Nursery Operations (Nursery Production, Retail Nursery)*
