## Qualification Description

This qualification is designed to meet the needs of managers in the viticulture industry.

There are no formal entry requirements for this qualification. However, the qualification assumes that a learner has current or past work experience where operational or technical skills have already been gained and a production management level of responsibility exists.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 10 units of competency:
  - 4 core units plus
  - 6 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- 4 units must be selected from the electives listed below

- 2 units may be selected from this or any other currently endorsed Training Package or Accredited Course.

### Core Units

|           |                                                  |
|-----------|--------------------------------------------------|
| AHCBUS501 | Manage staff                                     |
| AHCPCM501 | Diagnose plant health problems                   |
| AHCPHT504 | Develop a grape production plan                  |
| AHCSOL501 | Monitor and manage soils for production projects |

### Elective Units

|           |                                                                                 |
|-----------|---------------------------------------------------------------------------------|
| AHCBAC505 | Plan and manage long-term weed, pest or disease control in crops                |
| AHCBER501 | Manage active operational emergency disease or plant pest sites                 |
| AHCBER502 | Manage the implementation of an emergency disease or plant pest control program |
| AHCBUS502 | Market products and services                                                    |
| AHCBUS503 | Negotiate and monitor contracts                                                 |
| AHCBUS506 | Develop and review a business plan                                              |
| AHCBUS507 | Monitor and review business performance                                         |
| AHCBUS508 | Prepare and monitor budgets and financial reports                               |
| AHCCHM501 | Develop and manage a chemical use strategy                                      |
| AHCDRG501 | Design drainage systems                                                         |
| AHCIRG502 | Design irrigation system maintenance and monitoring programs                    |
| AHCIRG503 | Design irrigation, drainage and water treatment systems                         |
| AHCIRG504 | Develop an irrigation and drainage management plan                              |
| AHCMOM501 | Manage machinery and equipment                                                  |

|           |                                                        |
|-----------|--------------------------------------------------------|
| AHCMOM502 | Implement a machinery management system                |
| AHCNAR506 | Develop and implement sustainable land use strategies  |
| AHCORG501 | Develop an organic management plan                     |
| AHCORG502 | Prepare the enterprise for organic certification       |
| AHCPHT505 | Evaluate wine                                          |
| AHCPHT506 | Manage a wine making process                           |
| AHCWAT502 | Manage water systems                                   |
| AHCWHS501 | Manage work health and safety processes                |
| AHCWRK501 | Plan, implement and review a quality assurance program |
| BSBR5K501 | Manage risk                                            |
| TLIL5019  | Implement and monitor transport logistics              |
| TLIR4002  | Source goods/services and evaluate contractors         |
