Assessment Requirements for AHCAIS201 Assist with artificial insemination procedures

Release: 1

Assessment Requirements for AHCAIS201 Assist with artificial insemination procedures

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- assist with preparation of animals for insemination
- support insemination procedure
- clean work area and equipment
- follow work health and safety policies
- follow animal welfare practices
- follow enterprise environmental policies.

Knowledge Evidence

The candidate must demonstrate knowledge of:

- resource and manpower requirements, biosecurity requirements, industry standards, codes of practice and procedures for artificial insemination of the livestock species
- reproductive anatomy and reproductive physiology in the livestock species
- signs of heat, methods for detection of oestrus and management of animals on heat
- techniques and methods for humane handling and restraint of the livestock species
- relevant animal welfare practices for the conduct of artificial insemination in the livestock species
- types, uses, maintenance, servicing and storage of equipment
- methods and procedures for cleaning and sterilisation of equipment used for artificial insemination
- procedures for handling, measurement and usage of cleaning chemicals, disinfectants and sanitisers
- relevant work health and safety requirements
- relevant documentation and records that are required

- relevant environmental and sustainability requirements, and procedures for disposal and management of wastes and debris
- requirements and procedures for cleaning and maintaining work areas.

Assessment Conditions

Competency is to be assessed in the workplace and/or a simulated environment that accurately reflects performance in a real workplace setting.

Assessors must satisfy current standards for RTOs.
