Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- interpret financial reports and farm business data
- maintain basic accounts
- administer the legal requirements of the business
- process and maintain the insurance requirements for the business
- identify sources, types and cost of finance
- prepare an application for finance or investment.

Knowledge Evidence

The candidate must demonstrate knowledge of:

- business processes and legal requirements
- insurance processes and legal requirements
- finance processes and legal requirements
- taxation and account keeping requirements.

Assessment Conditions

Competency is to be assessed in the workplace or simulated environment that accurately reflects performance in a real workplace setting.

Assessors must satisfy current standards for RTOs.
