Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit. There must be evidence that the individual has monitored and reviewed the performance of at least one business, or part of, including:

- identified, gathered and analysed data relating to enterprise performance
- developed realistic performance indicators
- reviewed operations against performance indicators
- monitored resources
- assessed sustainability of resource use
- planned to improve business performance by addressing results of review.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- markets, relevant to enterprise
- financial analysis techniques, including:
 - benchmarking
 - cost benefit analysis
 - ‘what if?’ analyses
 - time series and trend
 - expenditure and revenue ratios
 - break-even analysis
 - accounting standards
 - cash flow schedules
- types of data analysed to indicate business performance, including:
 - financial indicators
 - non-financial indicators

- organisational structures, including:
 - management processes
 - reporting arrangements
 - decision-making authorities
 - financial accounting procedures
- legislative requirements relevant to the operations of the enterprise
- environmental conditions, positive environmental practices and negative impact minimisation measures.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - access to business records for an enterprise.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
