Release: 1

AHCBUS609 Develop and review an enterprise strategic plan

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 4.0.

Application

This unit of competency describes the skills and knowledge required to develop and review a strategic enterprise plan for a small, medium or large business.

This unit applies to individuals who work strategically, who analyse information and exercise judgement to complete a range of advanced skilled activities especially in relation to strategic planning. At this level, workers analyse, design and communicate solutions to a range of complex problems.

All work must be carried out to comply with organisational requirements, work health and safety legislation and codes, sustainability practices, and in consultation with the management team.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Business (BUS)
