Assessment Requirements for AHCCCF508 Promote group formation and development

Release: 1

Assessment Requirements for AHCCCF508 Promote group formation and development

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has promoted group formation and development for at least one issue or project and has:

- investigated forming a group to progress an issue or project
- promoted initiatives to assist group formation and gain support from existing groups
- used activities to facilitate group formation and bonding and to attract new members
- responded to and solved conflict constructively
- showed appropriate regard for cultural issues, equity and disability.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- sources of local information on community interests and issues relevant to program objectives
- structure and operation of community organisations
- public relations principles
- program objectives, scope and guidelines
- group formation processes
- principles of negotiation and conflict resolution.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represents workplace conditions

- resources, equipment and materials:
 - program objectives, scope and guidelines
- relationships:
 - group members.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
