Assessment Requirements for AHCCCF510 Contribute to regional planning process

Release: 1

Assessment Requirements for AHCCCF510 Contribute to regional planning process

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has contributed to at least one regional planning process and has:

- participated in panel and group discussion on the planning process
- collected information on local land management issues and those related to economic, industry and social factors
- submitted views on natural resource management priorities and solutions
- reviewed draft plans in terms of impact on the local and wider region to identify deficiencies and propose solutions
- participated in community consultation
- developed proposal for improvement to draft plan.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- local community issues, including economic, industry and social factors
- consultation approaches used in regional planning processes
- natural resource management issues for local area or region
- legislative, program and other requirements relevant to regional plans and the planning process
- natural resource management processes
- regional planning concepts
- processes for development of draft plans.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - draft plans
 - computer hardware and software
 - legislative, program and other requirements relevant to regional plans and the planning process
- relationships:
 - panel and group members.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
