Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- handle and store velvet carefully according to food safety legislation
- accurately and consistently grade velvet using industry grading specifications and record grading results
- sell velvet and review the grading and marketing of the product
- implement enterprise work health and safety and biosecurity policies

Knowledge Evidence

The candidate must demonstrate knowledge of:

- National Velvet Accreditation Scheme (NVAS)
- food safety requirements for velvet
- grading specifications
- requirements for handling and storing velvet to maximise quality
- enterprise work health and safety and biosecurity policies

Assessment Conditions

Competency is to be assessed in the workplace or simulated environment that accurately reflects performance in a real workplace setting.

Assessors must satisfy current standards for RTOs.
