Assessment Requirements for AHCILM403 Contribute to the proposal for a negotiated outcome for a given area of Country

Modification History

Release Number	TP Version	Comments
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- gather information to support the proposal for a negotiated outcome for a given area of land
- conduct culturally appropriate consultation with stakeholders
- determine the relevance and implications of applicable acts and legislation
- contribute to the development of the proposal
- provide feedback on the development of proposal

Knowledge Evidence

The candidate must demonstrate knowledge of:

- relevant State land and sea resources acts and legislation
- relevant Local Government land and sea resources acts and legislation
- relevant Commonwealth land and sea resources acts and legislation
- roles of different organisations in land and sea management
- the existence of alternative forms of input and control in land and sea management

Assessment Conditions

Assessment must comply with Community protocols and be supported by Elders and Custodians of Country.

Assessors must satisfy current standards for RTOs.
