- provide information on safety requirements
- monitor visitor activities to ensure compliance with park or reserve conditions of entry, safety and environmental requirements
- act on non-compliance activities promptly
- report incidents according to organisation procedures and legislative requirements
- use standard industry terminology
- follow work health and safety policies and procedures and monitor visitor activities to ensure safety of general public

Knowledge Evidence

The candidate must demonstrate knowledge of:

- limits to personal and legal authority to act on non-compliance with site access conditions
- enterprise procedures, work health and safety and legislative requirements
- enterprise security systems and communication equipment
- conditions for visitors entering park

Assessment Conditions

Assessors must satisfy current standards for RTOs.
