Assessment Requirements for AHCLPW503 Assess applications for legislative compliance

Release: 1

Assessment Requirements for AHCLPW503 Assess applications for legislative compliance

Modification History

Release Number	TP Version	Comments
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- review existing data on land use changes according to program guidelines
- undertake title searches
- schedule physical inspection with land holder
- collect evidence from the site on potential impacts on species diversity and soil and water quality according to legislative requirements and enterprise procedures
- record any evidence of issues with cultural values of the site
- interpret aerial photographs, maps and geographic information systems
- compile reports to agency standards and make recommendations supported by evidence

Knowledge Evidence

The candidate must demonstrate knowledge of:

- relevant Federal and State legislation and regulations that apply to vegetation clearance and land use
- agency policies and procedures
- formats for reporting
- assessment approaches for area of notification

Assessment Conditions

Assessors must satisfy current standards for RTOs.
