Assessment Requirements for AHCLSC101 Support landscape work

Release: 1

Assessment Requirements for AHCLSC101 Support landscape work

Modification History

Release Number	TP Version	Comments
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- apply safe work practices in landscape construction and maintenance
- clean up on completion of landscaping work
- prepare materials, tools and equipment for landscaping work
- undertake landscape work as directed

Knowledge Evidence

The candidate must demonstrate knowledge of:

- principles and practices for supporting landscape work
- safe work practices
- preparing for landscape work and cleaning up on project completion
- basic construction techniques
- landscaping tools and equipment
- maintenance practices for planted areas
- repair and maintenance of landscape features
- workplace health and safety and safe work practices

Assessment Conditions

Assessors must satisfy current standards for RTOs.
