Assessment Requirements for AHCLSC201 Assist with landscape construction work

Release: 1

Assessment Requirements for AHCLSC201 Assist with landscape construction work

Modification History

Release Number	TP Version	Comments
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- prepare materials, tools and equipment
- undertake landscape work as directed
- handle materials and equipment
- follow safe work practices and safety directions
- clean up on completion of landscape work

Knowledge Evidence

The candidate must demonstrate knowledge of:

- the principles and practices of assisting with landscape construction work
- basic construction techniques
- how to repair and maintain landscape features
- landscaping tools and equipment
- maintenance practices for planted areas
- safe work practices

Assessment Conditions

Assessors must satisfy current standards for RTOs.
