Assessment Requirements for AHCLSK355 Prepare and present livestock for competition

Release: 1

Assessment Requirements for AHCLSK355 Prepare and present livestock for competition

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Release 11.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has prepared and presented livestock for competition on at least two occasions, and has:

- applied relevant workplace health and safety legislation, regulations and workplace procedures
- applied relevant animal welfare practices
- recognised and reported workplace health and safety hazards and used safe work practices
- planned for and provided livestock feed and water requirements
- maintained livestock facilities and handling equipment
- restrained, handled and groomed livestock using good stock handling techniques
- trained livestock for showing
- prepared livestock to competition standards
- paraded and presented livestock for show.

Knowledge Evidence

An individual must be able to demonstrate knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace requirements applicable to health and safety in the workplace for preparing and presenting livestock for competition
- principles and practices for preparing and presenting livestock for competition, including:
 - competition requirements for grooming, handling and presentation
 - components and functions of handling equipment
 - good stock handling techniques, restraint methods and when to use them
 - livestock grooming and training techniques, including leading and standing correctly
 - livestock health and nutritional requirements
 - preparation and maintenance requirements for livestock facilities and equipment

- livestock movement and behavioural characteristics in handling and confined areas
- animal welfare practices.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - work instructions and workplace procedures applicable to preparing and presenting livestock for competition
 - livestock competition standards, documentation and requirements
 - livestock suitable for competition
 - materials and equipment applicable to preparing and presenting livestock for competition
- specifications:
 - workplace requirements applicable to health and safety in the workplace for preparing and presenting livestock for competition
 - legislation, regulations, standards, guidelines and procedures for animal welfare applicable to preparing and presenting livestock for competition
- relationships:
 - competition officials
- time frames:
 - according to job requirements.

Assessment of this unit must be conducted on live animals.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
