Assessment Requirements for AHCNSY205 Pot up plants

Release: 1

Assessment Requirements for AHCNSY205 Pot up plants

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 6.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has performed plant potting up on at least three occasions, and has:

- applied workplace health and safety requirements
- selected, used and maintained plant potting up tools, equipment, material and plants
- disinfected work areas
- graded and potted up propagated plants as directed
- handled plants with care
- applied plant hygiene, stock movement and placement requirements
- removed and disposed of waste material
- recorded and reported plant potting up operations and unserviceable tools and equipment.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace requirements applicable to health and safety in the workplace for potting up plants, including appropriate use of personal protective equipment (PPE)
- the principles and practices of potting up plants, including:
 - plant grading and pot selection
 - plant hygiene, stock movement and placement requirements
 - methods of disposing of waste.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:

- a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - plant potting up tools, equipment and materials
 - PPE applicable to plant potting up
- specifications:
 - workplace requirements applicable to health and safety in the workplace and potting up of plants
- relationships:
 - supervisor
- timeframes:
 - according to job requirements.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
