Assessment Requirements for AHCNSY302 Receive and dispatch nursery products

Release: 1

Assessment Requirements for AHCNSY302 Receive and dispatch nursery products

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- evaluate product quality
- interpret order forms
- maintain product records
- meet client service requirements
- monitor and carry out product dispatch and delivery processes
- select product for order requirements

Knowledge Evidence

The candidate must demonstrate knowledge of:

- the principles and practices of receiving and despatching nursery products
 - best practice guidelines for nursery hygiene
 - common sources of cross contamination from transport vehicles
 - environmental controls necessary for transporting plants
 - quality standards for the packing, packaging and labelling of products
 - quarantine policies and relevant quarantine legislation
 - stock control procedures

Assessment Conditions

Assessors must satisfy current standards for RTOs.
