Modification History

Release	Comments
Release 1	This version released with Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has mapped the relationship of the business to culture and Country for an organisation at least once and has:

- described the goals and activities of the organisation
- defined the legal parameters of the business organisation
- analysed the positions and power relationships for decision-making within a local Aboriginal and/or Torres Strait Islander Community
- related local Aboriginal and/or Torres Strait Islander Community and business roles to the concept of Country
- made recommendations to support the concept and implementation of local Aboriginal and/or Torres Strait Islander management principles.

Knowledge Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has mapped the relationship of the business to culture and Country for an organisation at least once and has:

- described the goals and activities of the organisation
- defined the legal parameters of the business organisation
- analysed the positions and power relationships for decision-making within a local Aboriginal and/or Torres Strait Islander Community
- related local Aboriginal and/or Torres Strait Islander Community and business roles to the concept of Country
- made recommendations to support the concept and implementation of local Aboriginal and/or Torres Strait Islander management principles.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated on Country and/or within an Aboriginal and/or Torres Strait Islander Community or an environment that accurately represents workplace conditions
- specifications:
 - specific legislation/codes of practice relevant to mapping the relationship of a business to culture and Country.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards. In addition, the following specific assessor requirements apply to this unit:

- Assessment must be undertaken by a workplace assessor who has expertise in this unit of competency and who is:

an Aboriginal and/or Torres Strait Islander Elder and/or Custodian or:

- accompanied by, and/or in communication with, an Aboriginal and/or Torres Strait Islander person who is a recognised member of the community with experience and knowledge of local cultural protocols.
