Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- carry out an inventory of mushroom boxes
- collect filled boxes to ensure continued smooth flow of picking and packing work
- estimate quantities of boxes
- estimate rate of packing for collection
- record cool room air and mushroom pulp temperatures
- supply appropriate quantities of empty boxes to mushroom pickers in a number of picking rooms

Knowledge Evidence

The candidate must demonstrate knowledge of:

- principles and practices for handling and moving mushroom boxes
 - collection and packing procedures
 - quality requirements
 - safe manual handling techniques
 - storage requirements for mushrooms

Assessment Conditions

Assessors must satisfy current standards for RTOs.
