Assessment Requirements for AHCPHT414 Assess olive oil for style and quality

Release: 1

Assessment Requirements for AHCPHT414 Assess olive oil for style and quality

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 6.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has assessed olive oil for style and quality on at least one occasion, and has:

- applied industry tasting procedures
- identified olive oil style and quality
- identified common olive oil defects
- interpreted olive oil chemical indices
- maintained records of season tasting and chemical analyses
- modified horticultural and processing practices to remedy variations from desired style and quality
- documented and communicated next season processing requirements and adjustments to horticultural production plan.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- industry tasting procedures
- principles and practices for assessing olive oil, including:
 - cause of olive oil defects and how they can be remedied
 - horticultural and processing practices that affect olive oil style, and reasons for the effect
 - relationship between critical chemical parameters and oil style and quality.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - olive oils
 - sampling equipment
 - horticultural production plan
- specifications:
 - industry tasting procedures
- relationships:
 - processing personnel
- timeframes:
 - according to job requirements.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
