Assessment Requirements for AHCSDT305 Perform a seed moisture test

Release: 1

Assessment Requirements for AHCSDT305 Perform a seed moisture test

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- calculate weights and percentages
- cut and grind seeds
- determine the moisture content of seeds for routine use by an oven method
- prepare working samples
- weigh containers and seed samples
- calculate and report results

Knowledge Evidence

The candidate must demonstrate knowledge of:

- apparatus used in seed moisture testing
- enterprise and/or legal traceability requirements
- enterprise standard operating procedures (SOPs)
- relevant health, safety and environment requirements
- the role of the International Seed Testing Association (ISTA) and the ISTA Rules for Seed Testing

Assessment Conditions

Assessors must satisfy current standards for RTOs.
