Assessment Requirements for AHCSHG212 Assist in preparing for shearing and crutching

Release: 1

Assessment Requirements for AHCSHG212 Assist in preparing for shearing and crutching

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Release 11.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has assisted in preparing for shearing and crutching on one occasion.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- shearing shed layouts and equipment
- maintenance and hygiene requirements of shearing sheds, boards and catching pens
- potential wool contaminants
- work health and safety (WHS) legislation and codes of practice applying to the job role
- safety features of personal protective equipment (PPE) and when and how it should be used
- communication processes with owner, Wool Classer or supervisor.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - equipment and materials appropriate for a shearing shed
 - animals for shearing
- relationships:

- owner or Wool Classer or supervisor.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or **standards**.
