Assessment Requirements for AHCSHG309 Prepare combs and cutters for machine shearing

Release: 1

Assessment Requirements for AHCSHG309 Prepare combs and cutters for machine shearing

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Release 11.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has:

- determined the need for sharpening combs and cutters on two occasions
- determined the need for dressing combs and cutters on two occasions
- prepared the grinder and pendulum for use on one occasion
- carried out grinding on one occasion
- set, stored and cared for grinding papers on one occasion
- dressed ten combs, including selecting bevels, teeth thinning and polishing.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- different types of combs and cutters
- terminology, techniques and procedures for grinding combs and cutters
- setting of, storage of and caring for grinding papers
- tools and equipment used in grinding combs, and cutters and dressing combs
- work health and safety (WHS) and codes of practice applying to the job role
- personal protective equipment (PPE) and how and when it should be used
- hazard identification and risk control regarding the use of combs, cutters and grinders
- manufacturer specifications regarding cutters, combs and grinders.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:

- skills must be demonstrated in a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - combs and cutters for machine shearing
 - grinder
 - manufacturer specifications.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
