Assessment Requirements for AHCSHG403 Account for shearing shed supplies

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- determine supplies for shearing
- identify appropriate supplier and order supplies
- maintain stores inventory for duration of shearing and prepare stores account

Knowledge Evidence

The candidate must demonstrate knowledge of:

- supplies required to support shearing operations
- procedures for ordering supplies and purchasing
- required books of account and GST requirements associated with shearing shed supplies
- record keeping systems

Assessment Conditions

Competency is to be assessed in the workplace or simulated environment that accurately reflects performance in a real workplace setting.

Assessors must satisfy current standards for RTOs.
