Modification History

Release	Comments
Release 2	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 10.0. Skill Set requirements updated.
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 6.0

Description

This skill set is designed to cover the knowledge and skills required to maintain green infrastructure specific to commercial and or residential roof gardens, vertical gardens and green facades.

Pathways Information

These units of competency provide credit towards a range of qualifications in the *AHC Agriculture, Horticulture and Conservation and Land Management Training Package*, including:

- Certificate III in Agriculture
- Certificate III in Horticulture
- Certificate III in Landscape Construction
- Certificate III in Parks and Gardens
- Certificate IV in Landscape Construction Management.

These units of competency also build on skills and knowledge attained in Certificate III in Landscape Construction from the *AHC Agriculture, Horticulture and Conservation and Land Management Training Package* to provide specialist skills in roof garden, green wall and green facade infrastructure.

Licensing/Regulatory Information

Licensing, legislative or certification requirements may apply to this unit in some jurisdictions, depending on the location of work and/or plant and equipment used. Users are advised to check with the relevant regulatory authorities.

Skill Set Requirements

- AHCGRI301 Maintain roof gardens, vertical gardens and green facades
- AHCPGD310 Implement a landscape maintenance program
- AHCPMG301 Control weeds
- AHCPMG302 Control plant pests, diseases and disorders
- RIIWHS204E Work safely at heights

Target Group

This skill set is for horticulture workers responsible for maintaining roof gardens, vertical gardens and green facades.

Suggested words for Statement of Attainment

These competencies from the *AHC Agriculture, Horticulture and Conservation and Land Management Training Package* and the *RII Resources and Infrastructure Training Package* meet industry requirements for maintaining roof gardens, vertical gardens and green facades.
