Release: 1

AHCTRF101 Support turf work

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Application

This unit of competency describes the skills and knowledge required to provide support to other workers in the green keeping and turf production industry.

This unit applies to individuals who work alongside a supervisor in most situations and exercise limited autonomy within established and well known parameters. They identify and seek help with simple problems.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector

Turf (TRF)

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Prepare materials, tools and equipment for turf work	1.1 Identify the required materials, tools and equipment according to lists provided 1.2 Conduct checks on materials, tools and report insufficient equipment or faulty items 1.3 Demonstrate correct manual handling techniques used when loading and unloading materials 1.4 Select and check suitable personal protective equipment (PPE) 1.5 Provide turf support according to work health and safety requirements

Element	Performance criteria
	1.6 Identify and report workplace health and safety hazards
2. Undertake turf work as directed	2.1 Follow instructions and directions and seek clarification 2.2 Interact with other staff and turf users in a positive and professional manner 2.3 Observe enterprise policy and procedures in relation to workplace practices, handling and disposal of materials 2.4 Report problems or difficulties in completing work to required standards or timelines
3. Handle materials and equipment	3.1 Store plant debris and waste material produced during turf work in a designated area 3.2 Handle and transport materials, equipment and machinery 3.3 Maintain a clean and safe work site while completing turf activities
4. Clean up on completion of turf work	4.1 Return materials to store or dispose of 4.2 Clean, maintain and store tools and equipment 4.3 Report work outcomes

Foundation Skills

Foundation Skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Unit Mapping Information

This unit is equivalent to AHCTRF101A Support turf work.

Assessment Requirements for AHCTRF101 Support turf work

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- assist with turf work as directed
- clean up on completion of turf work
- handle materials and equipment
- prepare materials, tools and equipment for turf work

Knowledge Evidence

The candidate must demonstrate knowledge of:

- principles and practices of turf work
 - mowing patterns and heights
 - safe work practices required at turf work sites
 - turf and facility maintenance practices
 - turf machinery and equipment
 - work health and safety and environmental protection legislation and enterprise procedures

Assessment Conditions

Assessors must satisfy current standards for RTOs.
