AHCTRF205 Assist in the preparation of turf surfaces for play

Release: 1

AHCTRF205 Assist in the preparation of turf surfaces for play

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 4.0.

Application

This unit of competency describes the skills and knowledge required to prepare sports turf surfaces for play.

The unit applies to individuals who prepare sports turf surfaces for play and undertake defined routine activities under supervision. They exercise limited autonomy within established and well-known parameters, providing solutions to a limited range of predictable problems.

No licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Turf (TRF)

Elements and Performance Criteria
