# Assessment Requirements for AHCWOL204 Undertake basic skirting of alpaca fleece

## Modification History

| Release | TP Version | Comment         |
|---------|------------|-----------------|
| 1       | AHCv1.0    | Initial release |

## Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- identify hazards and follow safe work practices
- pick up and throw alpaca fleeces
- skirt of alpaca fleece to industry standards
- package fleece and skirtings to industry standards
- communicate faults, malfunctions and workplace hazards
- report on and maintain operational records
- communicate with supervisor and work team
- follow work health and safety policies
- follow enterprise biosecurity protocols
- follow enterprise animal welfare policies

## Knowledge Evidence

The candidate must demonstrate knowledge of:

- features of the parts of Huacaya and Suri alpaca fleeces
- types of shearing shed layouts
- duties and responsibilities of a board person
- types and sources of contamination of the alpaca fleece
- enterprise policies with regard to recording and reporting routines
- equipment and bag requirements for skirting and handling fleece to industry standards
- relevant state and territory legislation, regulations and codes of practice with regard to work health and safety, environment, biosecurity and animal welfare.
- features of the Alpaca Fleece classing Code of Practice

## **Assessment Conditions**

Competency is to be assessed in the work place or workplace and simulated environments that accurately reflect performance in a real workplace setting.

Assessors must satisfy current standards for RTOs
