Assessment Requirements for AHCWOL314 Prepare skirtings and oddments

Release: 1

Assessment Requirements for AHCWOL314 Prepare skirtings and oddments

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Release 11.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has prepared skirtings and oddments for two different wool clips.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- processing methods – woollen and worsted and stages of processing
- features of wool growth, skin and fibre biology
- features of fleece parts, including:
 - skirtings
 - locks
 - crutchings
 - wool faults
 - impurities
 - contamination and urine stain
 - their impact on processing
- methods of handling fleece that minimise risk to own health, including:
 - work health and safety (WHS) standards
 - safe lifting and bending techniques
- requirements of the industry code of practice as it relates to the preparation of skirtings and oddments
- biosecurity standards as they relate to skirting and oddments and working in a shearing shed
- teamwork principles, including:
 - working towards a common goal

- communicating effectively and cooperation
- understanding the work responsibilities of team members
- embracing diversity.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - equipment and materials appropriate for shearing sheep
- relationships:
 - wool harvesting team
- Wool Classer.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
