Assessment Requirements for AHCWRK102 Maintain the workplace

Release: 1

Assessment Requirements for AHCWRK102 Maintain the workplace

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 9.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has maintained the workplace on at least one occasion, and has:

- communicated effectively with supervisor
- followed instructions
- followed workplace health and safety practices, including fitted and used personal protective equipment (PPE)
- reported faulty or unsafe materials, tools, equipment and PPE
- read and followed workplace notices, safety signs, symbols and labels
- used, cleaned and stored materials, tools and equipment.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace notices, safety signs, symbols, labels and work instructions relevant to area of work
- workplace health and safety practices, and PPE relevant to area of work
- cleaning, maintenance and waste disposal techniques relevant to area of work.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:

- PPE applicable to maintaining the workplace
- materials, tools and equipment applicable to maintaining the workplace
- workplace notices, workplace safety signs, symbols and labels relevant to area of work
- relationships:
 - supervisor.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
