Assessment Requirements for AHCWRK512 Plan, implement and review a quality assurance program

Release: 1

Assessment Requirements for AHCWRK512 Plan, implement and review a quality assurance program

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit. There must be evidence that the individual has planned, implemented and reviewed a quality assurance program on at least one occasion and has:

- determined quality assurance objectives for the workplace
- selected a quality assurance program using a cost benefit analysis
- planned the quality assurance program and developed implementation strategies
- implement the quality assurance program
- maintained required records to support quality assurance
- reviewed the quality assurance program.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- market projections and customer requirements
- cost/benefit of quality assurance implementation
- leadership and administrative skills including change management
- human resources induction practices
- organisational objectives
- quality standards
- audit processes
- quality assurance recording procedures
- workplace culture and values
- human resources performance monitoring practices
- system analysis, hazard analysis and critical control points (HACCP) or related processes.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represent workplace conditions
- resources, equipment and materials:
 - operating instructions relevant to quality assurance program
- timeframes:
 - according to the job requirements
- relationships:
 - between managers and staff, contractors and those under the banner of the quality assurance program.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
