Assessment Requirements for AHCWRK606 Monitor projects in a program

Release: 1

Assessment Requirements for AHCWRK606 Monitor projects in a program

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Release 11.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has monitored projects in a program on at least one occasion, and has:

- reviewed project milestones
- checked progress against milestones
- summarised progress
- assisted stakeholder groups, group leaders and project coordinators to maintain project timelines
- reported project progress according to program and workplace requirements
- documented and submitted proposed changes in project for approval.

Knowledge Evidence

An individual must be able to demonstrate knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- program and workplace requirements, including the following:
 - stakeholder group culture
 - reporting requirements
 - reporting formats
 - project and program management processes
 - financial reporting
 - quantitative and qualitative methods for monitoring and evaluation of projects
 - communication and consultation skills
 - project management computer applications.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - project management computer applications
 - hardware and software applicable to monitoring projects in a program
- relationships:
 - stakeholder groups, group leaders and project coordinators
- time frames:
 - according to job requirements.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
