Release	Comments
Release 2	This version released with AMP Australian Meat Processing Training Package Version 3.0.
Release 1	This version released with AMP Australian Meat Processing Training Package Version 1.0.

Qualification Description

The qualification is for people who are in a management position or who have the potential to move into these positions. People who enter this qualification will usually have substantial experience in a meat retailing sector, and will be seeking to improve their business expertise and experience.

People who are considering undertaking this qualification need to be aware that it requires extensive reading, writing of assignments and project work.

The Diploma qualification is designed for people who are already employed in the industry and who have the opportunity to draw upon workplace experiences and to carry out assignments and projects in the workplace.

No occupational licensing, legislative or certification requirements are known to apply to this qualification at the time of publication.

Entry Requirements

The following units must be completed prior to commencement of this qualification:

- AMPCOR401 Manage own work performance
- AMPCOR402 Facilitate Quality Assurance process
- AMPCOR403 Participate in workplace health and safety risk control process
- AMPCOR404 Facilitate hygiene and sanitation performance

Or deemed equivalence in industry skills and knowledge

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 6 units of competency:
 - 0 core units plus

- 6 elective units.

Elective Units
