AMPA2032 Prepare carcase and equipment for hide or pelt puller

Release: 1

AMPA2032 Prepare carcase and equipment for hide or pelt puller

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Application

This unit describes the skills and knowledge required to secure hides and pelts to the puller, dispose of hides and pelts and store the belts and chains.

This unit applies to those workers attaching chains or belts prior to mechanical hide and pelt pulling on a slaughter floor, in a knackery or a wild game processing establishment.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

Nil.

Unit Sector

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Shackle hide and/or pelt to hide and/or pelt puller	1.1 Shackle hide and/or pelt to hide and/or pelt puller in accordance with workplace requirements 1.2 Use hide and/or pelt pullers, chains or belts in accordance with work instructions
2. Dispose of hide and/or	2.1 Despatch or dispose of hide and/or pelts in accordance with

Element	Performance criteria
pelt	workplace requirements (where part of work instructions)
3. Maintain and store belts and chains	3.1 Store and maintain belts and chains in accordance with workplace health and safety requirements

Foundation Skills

Foundation Skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Unit Mapping Information

This unit is equivalent to MTMP2038C Prepare carcase and equipment for hide/pelt puller.

Assessment Requirements for AMPA2032 Prepare carcase and equipment for hide or pelt puller

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must secure hides and pelts to the puller, dispose of hides and pelts and store the belts and chains.

The candidate must:

- demonstrate the preparation of the carcase and equipment for the operation of removal of the hide and/or pelt
- store and maintain pelts and chains according to work instructions
- locate emergency switches
- keep work area neat and tidy
- follow work instructions
- perform duties in accordance with workplace health and safety requirements
- apply relevant regulatory requirements

Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- how hide and/or pelt puller works
- emergency switches procedures
- possible sources of contamination to carcase
- consequences of incorrect clearance of hide or pelt
- ways of minimising contamination hazards
- relevant regulatory requirements
- disposal arrangements for hides and pelts
- workplace health and safety hazards associated with working with and around the hide and/or pelt puller

Assessment Conditions

Assessment must occur in the workplace under normal production conditions.

Competency must be demonstrated at normal chain speed.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
