AMPA2046 Trim hindquarter to specification

Release: 1

AMPA2046 Trim hindquarter to specification

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Application

This unit describes the skills and knowledge required to trim the hindquarter of the carcase to specification.

This unit is applicable to workers employed to trim carcasses in abattoirs, boning rooms and game processing establishment.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

AMPX209 Sharpen knives
