**Release: 1**

# Assessment Requirements for AMPA2060 Grade carcase

## Modification History

| Release | TP Version | Comment         |
|---------|------------|-----------------|
| 1       | AMPv2.0    | Initial release |

## Performance Evidence

The candidate must grade carcasses according to workplace or other specifications.

The candidate must:

- grade carcasses in accordance with workplace requirements and customer specifications
- demonstrate accurate recording of carcase grade descriptions
- use communication skills relevant to work instructions and Standard Operating Procedures (SOPs)

## Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- hygiene and sanitation requirements
- methods of grading carcase according to specifications
- procedures for interpreting, recording and reporting measurement such as weight and fat depth
- commercial and regulatory requirements for accurate carcase grading
- workplace and customer specifications
- workplace requirements for grading
- workplace health and safety requirements in relation to grading carcasses

## Assessment Conditions

Assessment must occur in the workplace under normal production conditions.

Competency must be demonstrated at normal chain speed.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
