Assessment Requirements for AMPA2081

Drop tongue

Release: 1

Assessment Requirements for AMPA2081 Drop tongue

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must remove the tongue from the head of an animal in accordance with specifications.

The candidate must:

- use appropriate knife skills to remove tongue
- work cleanly to avoid the risks of contamination of the head meat
- use appropriate sterilisation techniques prior to, and during, the removal of tongue
- follow workplace health and safety requirements to remove tongue
- apply relevant workplace health and safety and regulatory requirements

Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- relevant anatomy of tongue
- work instructions for dropping tongue
- customer specifications and workplace requirements for tongue
- relevant workplace health and safety and regulatory requirements
- possible sources of contamination and measures used to avoid it

Assessment Conditions

Assessment must be conducted on a slaughter floor.

Competency must be demonstrated at the normal rate of production.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
