AMPA2105 Process small stock tripe

Release: 1

AMPA2105 Process small stock tripe

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Application

This unit describes the skills and knowledge required to process small stock tripe or paunch.

This unit is applicable to workers in mutton, lamb or goat processing plants where paunches are recovered and processed.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

AMPX209 Sharpen knives

Unit Sector

Assessment Requirements for AMPA2105 Process small stock tripe

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must process small stock tripe or paunch.

The candidate must:

- empty and clean paunch in accordance with workplace, health and safety, hygiene and sanitation and Quality Assurance (QA) requirements
- deposit waste in correct bins and keep work area neat and tidy
- apply relevant regulatory requirements

Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- steps in tripe processing
- tripe trim specifications
- consequences of inadequately trimmed product being packed
- workplace health and safety requirements for small stock tripe processing
- QA requirements for small stock tripe processing
- workplace and customer tripe specifications
- relevant regulatory requirements

Assessment Conditions

Assessment must occur in the workplace under normal production conditions.

Competency must be demonstrated at normal chain speed over a period of time.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
