Assessment Requirements for AMPA2151 Eviscerate condemned carcase

Release: 1

Assessment Requirements for AMPA2151 Eviscerate condemned carcass

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must eviscerate a condemned carcass and dispose of the viscera correctly.

The candidate must:

- eviscerate condemned carcass in accordance with regulatory, workplace and health and safety requirements

Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- workplace health and safety requirements related to eviscerating a condemned carcass
- workplace health and safety risks related to eviscerating a condemned carcass
- workplace requirements related to eviscerating a carcass

Assessment Conditions

Assessment must be conducted at an operating processing plant.

Competency must be demonstrated at a pace that meets company requirements.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
