AMPA2151 Eviscerate condemned carcase

Release: 1

AMPA2151 Eviscerate condemned carcase

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Application

This unit describes the skills and knowledge required to eviscerate a condemned carcase and dispose of the viscera correctly.

This unit is applicable to workers in abattoirs, knackeries and game processing establishments.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

AMPX209 Sharpen knives

Unit Sector
