Release: 1

AMPA2162 Pack and despatch rendered products

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Application

This unit describes the skills and knowledge required to pack and despatch a range of rendered products such as meat meal, blood meal and tallow.

This unit is applicable to rendering plant workers responsible for packing product either in bulk or in bags for despatch.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

Nil.

Unit Sector

Elements and Performance Criteria

Element	Performance criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Package rendered products	1.1 Inspect rendered products to workplace requirements prior to packaging 1.2 Package rendered products to workplace requirements using correct packaging procedures and effective storage materials 1.3 Package meat meal in bulk and/or bags, if applicable

Element	Performance criteria
