Assessment Requirements for AMPA3084 Operate press

Release: 1

Assessment Requirements for AMPA3084 Operate press

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must operate a press (batch or continuous).

The candidate must:

- perform start-up procedures to workplace requirements
- load and unload press to specifications
- test product samples to ensure pressed product meet specifications
- apply communication skills relevant to work instructions and Standard Operating Procedures (SOPs)
- follow workplace health and safety requirements
- apply relevant regulatory requirements

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- basic operating principles of the press
- implications on product quality and productivity of incorrect press
- production problems and out-of-specification product and take corrective action
- relevant regulatory requirements

Assessment Conditions

Assessment must be conducted in a registered, operating meat rendering plant.

Competency must be demonstrated at the normal rate of production for that rendering plant.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
