Assessment Requirements for AMPABA303 Use standard product descriptions - sheep and goats

Release: 1

Assessment Requirements for AMPABA303 Use standard product descriptions - sheep and goats

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has used standardised product description language to describe sheep or goat meat products on at least three occasions, including:

- identified anatomical features of the carcass
- identified meat products using the standard product description
- checked meat cut against specification requirements
- identified non-conforming product
- followed safe work procedures.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- standard meat product descriptions for sheep and goats, such as AUS-MEAT descriptions
- workplace health and safety, food safety, regulatory and workplace requirements for working in meat processing
- corrective action procedures for non-conforming product
- language specifications of sheep or goat product
- product specification points
- skeletal and anatomical structures and features of sheep or goat.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:

- skills must be demonstrated in a meat processing premises or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - sheep and/or goat carcase/s
- specifications:
 - sheep and goat product descriptions
 - workplace procedures, including advice on safe work practices, meat safety and quality.

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
