Assessment Requirements for AMPLSK201 Apply animal welfare and handling requirements

Release: 1

Assessment Requirements for AMPLSK201 Apply animal welfare and handling requirements

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has applied animal welfare and safe handling requirements for at least one lot of animals.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- relevant sections of Animal Welfare Standards and Guidelines
- workplace procedures for receipt and/or dispatch of animals
- workplace requirements for maintaining flow and order of animals
- impact of stress and injury on the animal
- impact of stress and injury on product quality, including carcasses, hides and skins
- animal identification systems, including National Livestock Identification System (NLIS)
- lot identification of animal and its importance for traceability
- workplace health and safety hazards of handling animals
- correct use of personal protective equipment (PPE)
- feed and water requirements of animals at site
- standard operating procedures for tasks associated with handling animals
- arrangements for the emergency slaughter or euthanasia of sick and injured animals
- customer and community expectations of animal handling.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:

- skills must be demonstrated in a workplace where livestock are handled for processing, or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - real animals for handling
 - PPE
- specifications:
 - workplace procedures, including advice on safe work practices and animal welfare and safety
- relationships:
 - interactions with work team.

Assessment for this unit must include at least three forms of evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
